## Beckingham Footpath 1

Start point - Church Street (on "S" bend opposite All Saints' Church)  
Go over the stile by the footpath sign, and follow the path across 2 grassy meadows to a 2nd stile in the bottom right hand corner of the field (partially hidden by a rambling bramble) to a large horsechestnut tree. Cross the stile, and keeping to the right side of the field go over stile 4 which is half way along - cross this into the next field and continue in a northerly direction to stile 5. Follow the path to stile 6 then onto stile 7 which is by the edge of the Beckingham Road.  
Either follow the route back from which you came or return via the road (left takes you to the Beckingham Roundabout, right takes you to the junction of Walkeringham Road which follows on to Low Street)  
The above picture shows a Barn Owl which was spotted early evening looking for food around the outskirts of the meadow.
