

Police urge residents to be vigilant following rural burglaries;

POLICE are urging residents living in the villages across north Bassetlaw to be vigilant following a series of house burglaries.

Since 1 November 2008 there have been 16 burglaries at homes situated in the following villages; **Barnby Moor, Beckingham, Blyth, Clayworth, East Drayton, Everton, Mattersey, Misterton, Oldcotes, Ranskill, Saundby, Sturton le Steeple, South Leverton, Sutton cum Lound, West Stockwith and Walkeringham.**

The majority of these burglaries have occurred in the daytime or during early evening when people have either been at work or out of the house.

Jewellery has been the most common item stolen, but also other valuable items such as televisions and laptops.

Residents are asked to ensure their home security is in good working order including window and door locks, security lights and alarm system.

A Security Road Show has been arranged for your benefit at

The Recreation Room The Green Beckingham

on

Saturday 31st January 10-30AM to 1.30PM

allowing you to view various security systems and ask any questions you may have.

This event is supported by Nottinghamshire Police

People are asked to remain vigilant of any vehicles or people acting suspiciously in their area and to report any unusual activity to the police immediately.

Nottinghamshire Police can be contacted on 01909 500999.

If you are part of a Neighbourhood Watch scheme you can also use your local coordinator to report any information to the police.
